Global Finance Names The Safest Islamic Financial Institutions In the GCC 2017

NEW YORK, September 6, 2017 — *Global Finance* has named the Safest Islamic Financial Institutions in the Gulf Cooperation Council in an exclusive survey to be published in the November 2017 issue as part of the publication's 26th annual ranking of the World's Safest Banks.

The full report includes the following rankings: World's 50 Safest Banks, World's 50 Safest Commercial Banks, Safest Banks by Country, 50 Safest Banks in Emerging Markets, Safest Islamic Financial Institutions in the GCC, and Safest Banks by Region (Africa, Asia, Australasia, Central & Eastern Europe, Latin America, Middle East, North America and Western Europe).

"Shariah-compliant banking has become an increasingly important factor in global finance, as scholars and economists have found ways to provide products and services that compare to Western offerings while maintaining their religious obligations," says *Global Finance* publisher and editorial director Joseph D. Giarraputo. "Our ranking of the Safest Banks provides investors and companies with a consistent metric to assess the institutional strength of Islamic finance providers."

Banks were selected through an evaluation of long-term foreign currency ratings—from Moody's, Standard & Poor's and Fitch—and total assets of the 1000 largest banks worldwide.
