

World's Best Digital Bank Awards 2024

Call for Entries Questionnaire Instructions

Global Finance is proud to present its 25th annual World's Best Digital Bank Awards for 2024. A quarter of a century ago, these awards pioneered recognition of the emerging sector of digital banking and helped shape its development over time. Now, *Global Finance's* Digital Bank awards are the most prestigious honor in the industry and the undisputed authority on the world's leading digital banking service providers.

Last year, this program was given its biggest expansion ever. Winners are now chosen in corporate and consumer sub-categories by country, as well as globally and regionally. This creates hundreds of new award opportunities for entrants. All sub-category entries are automatically considered for country-based awards without any additional requirements or fees. This is a strong incentive to enter in all applicable sub-categories to stand out from competitors who do not enter.

All entrants must complete the official entry form as well as the corresponding questionnaire(s). On the entry form, please indicate if you are entering in the Corporate/Institutional Category, Consumer Category or both. Please indicate all the Sub-categories you are entering. In order to be considered for Sub-category awards banks MUST enter in the corresponding main category (Corporate/Institutional or Consumer). Entries are required for award consideration.

IMPORTANT NOTE: When completing the questionnaire(s), please provide responses to as many of the questions as possible, even if they do not directly relate to your sub-category entries (if any). This will enable the judging panel to best determine your bank's overall capabilities.
