Global Finance Names the Safest Banks in Australasia 2024

NEW YORK, October 7, 2024 — Global Finance has announced the Safest Banks in Australasia as part of its 33rd annual ranking of the World’s Safest Banks. The full list is included here and will be published in the November print and digital editions, as well as online at GFMag.com.

The top five Safest Banks in Australasia are unchanged for the third straight year, and Australian banks dominate the list once again, taking nine of the top ten positions.

The full report includes the following rankings: World’s 50 Safest Banks; World’s 50 Safest Commercial Banks; Safest Banks by Country, Territory and District; 50 Safest Banks in Emerging Markets; Safest Islamic Financial Institutions in the GCC and Safest Banks by Region (Africa, Asia, Australasia, Central & Eastern Europe, Latin America, the Middle East, North America, and Western Europe).

“Amid ongoing economic volatility and increasing scrutiny of digital currencies, the resilience and soundness of banks continue to be the bedrock of global commerce in 2024,” said Joseph Giarraputo, founder and editorial director of Global Finance.

Banks were selected through an evaluation of long-term foreign currency ratings—from Fitch, Moody’s, and Standard & Poor’s—of the 500 largest banks worldwide.
