Global Finance Names the Safest Banks by Country, Territory and District 2024

NEW YORK, October 8, 2024 — Global Finance has named the Safest Banks in 111 countries, territories and districts for 2024 as part of its 33rd annual ranking of the World's Safest Banks. The full list is included here and will be published in the November print and digital editions, as well as online at [GFMag.com](https://www.gfmag.com).

In addition to the Safest Banks by Country, Territory and District, the full report also includes the following: World's 50 Safest Commercial Banks: World's 50 Safest Banks: 50 Safest Banks in Emerging Market:, 25 Safest Banks in China: Safest Islamic Financial Institutions in the GCC and Safest Banks by Region (Africa, Asia, Australasia, Central & Eastern Europe, Latin America, the Middle East, North America, and Western Europe).

"Amid ongoing economic volatility and increasing scrutiny of digital currencies, the resilience and soundness of banks continue to be the bedrock of global commerce in 2024," said Joseph Giarraputo, founder and editorial director of Global Finance.

Global Finance's annual rankings of the World's Safest Banks have been the recognized and trusted standard of financial counterparty safety for more than three decades. Winners were selected through an evaluation of long-term foreign currency ratings—from Fitch, Moody's, and Standard & Poor's—of the 1000 largest banks worldwide.
